Notice to Mail Subscribers.

Subscribers are supplied with a notice of the

date their subscription will expire ten days in ad-

vance of the time, and again with a second notice

on the day the copy paid for is sent. This

will enable all persons to keep the run of their ac-

counts, and to receive in time not to miss an issue

of the paper.

A subject which engages equally the at-

tention of the patriot and philanthropist is the

arrogant conduct which the war is assum-

ing. No soldier, no sailor, no citizen, should

among the people is more anxious than the

encouragement which the most savage and

miscreants receive from the most unex-

pected quarters. The vagrant rumor is made

the basis for hounding on the Government to

acts of vengeance, and the most favored or-

ators, the friends of the Administration, speak

with a deliberate heartlessness of a scheme of

extermination and desolation as if it was the

most natural, obvious, and commendable act

which they could perform.

Among other deplorable acts which are

made the occasion for urging the most violent

measures is the massacre of the negro troops

in the storming of Fort Pillow. The Presi-

dent, to speaking of it in Baltimore, said:

"Would it be right to take the life of prison-

ers in Washington, Fort Delaware or else-

where, in retaliation for acts in which they

were not guilty? Would it be right to take the

prisoners captured, said at Vicksburg, and

shoot them for acts in which they were not

guilty, and which it will probably be found

were the ordering of only a few individuals,

or possibly of only one man?"

By implication the President assumes these

questions in the affirmative. The papers which

favor the Administration go the whole figure.

For example, the Chicago Tribune says:

"If Jeff. Davis would the act of Forrest, it

will then be necessary to consider the next

step. It will then be for us to decide upon

what act of retaliation we will enter. In that

case it might be proper to proceed to extreme

measures at once—even to the putting to death

of prisoners in our hands—should such a step

be taken, it would be a step which would be

lawful.

There is generally an acquiescence in these

sentiments as if they rested upon some mili-

tary, civil or moral code, which the Govern-

ment was justified in enforcing beyond ques-

tion. Nothing could be more erroneous.

There is no justification under high heaven for

deliberate murder, and no necessity in na-

tional affairs that can justify its adoption as

a policy or rule. It does not need authorities

Notes.—The regular city court docket, which was to have been called this day, was continued until this day two weeks, the third Monday, 16th day, of May.

"THE MERCHANTS' EXCHANGE."
The members of the "Merchants' Exchange" will be in mind that there is a meeting of the board at their rooms, on a fourth street, between Market and Main, at 8 o'clock, this evening. We understand that resolution will be offered to the meeting in regard to the establishment of a daily Board of Trade. This is a matter of the greatest importance to our merchants and citizens generally, and it is desired that there shall be a full attendance. All who have the interest and welfare of the city at heart should not fail to attend and render all the assistance in their power towards the furtherance of this great object, which is bound to operate in favor of the business of our fast prospering city. The importance of a daily Board of Trade has long been felt in our city, and we hope that such a board will be established at once.

MILITARY CHARGES.—By special orders issued by General Burbridge the following military charges in this city were made yesterday: Lieutenant C. O'Connell Vaughan, of the Seventeenth Kentucky volunteers, on account of his bad health, was relieved as provost marshal, and Lieutenant Colonel Ward, of the Twenty-seventh Kentucky, was appointed in his place. Captain C. D. Armstrong, of the Second Indiana cavalry, was relieved as commander of barracks No. 1, and Major Magruder, of the Twenty-seventh Kentucky, was appointed in his place. Captain Treble, of the Twentieth Kentucky, was relieved as brigade provost marshal, and Captain Armstrong, who relinquished the command of the barracks, is appointed in Captain Treble's place.

UNITED STATES COURT.—In the United States Court yesterday the case of W. E. Wood was given to the jury, who, after an absence of ten minutes, returned with a verdict of not guilty. The case of W. L. Brown was called, and the accused pleaded not guilty to the charges. After this the counsel for the defense asked to withdraw the plea of not guilty and enter a plea in abatement on account of one of the grand jurors not being a housekeeper. The case was argued at some length, when the Court adjourned until ten o'clock this morning, when the point at issue will be decided. Should the motion be entertained by the Court, it will virtually amount to the quashing of the indictment.

THIRD STREET BUILDING LOTS.—Mr. Collins Ormsby offers for sale a very desirable building lot on Third street, near Oak street, which he will sell at great bargain to persons who desire to build houses. Third street is, perhaps, the most desirable corner street in the city, and in a short time a horse railroad will be extended out to the House of Refuge. It will be long before the gas and water will be extended on this street—hence those who want themselves of the present opportunity to secure choice sites for residences will not long be deprived of these advantages. Third street, beyond Kentucky, is one hundred feet wide.

PARDONED.—We learn that Gov. Bramlette has pardoned Wm. Brockmann, of this city. It will be remembered that Brockmann was tried at the last term of the Jefferson circuit court upon an indictment for murder, but the jury returned a verdict for manslaughter and sentenced him to ten years' confinement in the State prison. Our citizens were generally surprised yesterday upon seeing Brockmann upon the streets here. We understand that on the trial the jury were for a verdict for murder.

BARRACKS ITEMS.—The amount of business transacted at the barracks yesterday was exceedingly small. The only receipts were 25 convalescents, from different points, en route to join their regiments. 25 recruits were transferred, and three deserters were sent to Nashville in irons. Even deserters from the Thirtieth Indiana cavalry were arrested in Jeffersonville and brought to this city, where they will be tried by court martial.

SERIOUS ACCIDENT.—Sunday evening two boys, returning from the Oakland race track, were free rein to their steeds and indulged in a merry race. On nearing the corner of Seventh and Kentucky streets, both horses running at full speed, the one rode by Benjamin Wilson, a boy fifteen years old, tripped and fell. The rider was thrown violently to the ground, and, falling underneath his horse, he was injured so badly that he died in a few moments.

Mr. John Greenough, chief clerk of the steamer Mississippi, will accept our thanks for full files of New Orleans papers. The Mississippi made the run from New Orleans in less than seven days, including numerous detentions, together with the misfortune of having burned one of her boilers, which rendered it useless from Cairo up.

COURT MARTIAL.—The new court assembled yesterday morning at 10 o'clock. The court was organized with Major Ziebell, of the Second Indiana cavalry, as president, and Captain Frank Walcott as judge advocate; after which it adjourned until 10 o'clock this morning. We were not informed as to what case will be before the court to-day.

The Nashville train arrived on time last night. All was quiet along the line.

JEFFERSON CIRCUIT COURT.
First Day's Proceedings.

The regular spring session of the criminal term of the Jefferson Circuit Court, Judge Muir presiding, commenced yesterday.

The following grand jury were empaneled and sworn: A. P. Cochran, J. M. Monahan, A. D. Hunt, Wm. Jarvis, S. P. Welinger, W. A. Richardson, George Prather, S. T. Brannin, H. J. Mead, S. Waters, J. Sues, A. Hikes, Samuel Conrad, T. G. Waters, F. Pable, and J. M. Ducau. One of the first members of the jury as summoned refused to take the oath to the Government, and was released from serving on the jury.

The following cases were set for trial:
Tuesday, May 3d.—Mary Feeney, Constable Dougherty, Jacob Frost, and Louisa Finley.

Wednesday, May 4th.—G. Bennett, John McCune, and J. M. Moran.

Thursday, May 5th.—M. Pendergraft, H. Schroeder, J. Schroeder, Daniel Raymond and John Troutler.

Friday, May 6th.—Joseph Brown.

Saturday, May 7th.—Henry Thomas and Bennett Marks.

Monday, May 9th.—B. Nicholson, J. R. Green and Orin Roberts.

The following cases were taken from the docket, with leave to re-arrest: Wm. Carey, Michael Fahy, Pat Carroll, M. S. Taylor, Jas. Burdick, Frank Brennan, Wm. Laville, Miller, Alex. Hall, Charles Rosenbaum, D. Hogan, General Jeff. C. Davis and John Halloran.

The following cases were continued: Fred. Kuefler, F. Jochin, Elsie Rose, Wm. Soimann, H. Polkebaugh, Ernest Crumsey, Chas. Stewart, Frank Wade, Geo. W. Knapp, B. Riddle, Frank Probst and P. Langorh.

In the following cases, the Commonwealth's Attorney entered *non prosequi*—Wm. Puffy, alias Hastings, August Worms and Stears.

The case of Aaron Conn, charged with killing Williams (C. m. c.), was abated on account of the death of the accused.

The Grand Jury returned indictments against the following persons:
Ed. Ryan, robbery; L. A. Stoter, larceny; Chas. Green, larceny; two cases; Wm. Sutton, having in his possession burglarious tools.

At this point the court adjourned until 2½ o'clock.

AFTERNOON SESSION.
Pursuant to adjournment, the court met at 2½ o'clock, when the grand jury returned the following indictments:

Wm. Church, robbery; John Fahy, robbery; Michael Carroll, robbery; Geo. Miller, larceny; John Kelger, malicious stabbing; Robert Smith, murder; Fred. Kahlan, larceny; Chas. Weller, (C. m. c.) unlawfully taking personal property; Samuel Stoltz, larceny.

The only case tried was that of Victor Knodler, for assaulting J. Busanman, (C. m. c.). He was fined \$30, and sentenced to twenty-four hours' confinement in the city prison.

SCHOOL MATTERS.—The regular monthly meeting of the Board of School Trustees was held last evening. The Committee on Salaries and Supplies reported in favor of the granting of a salary to that portion of the First Ward known as Dutchertown, and the report was unanimously adopted. The school will be established at the commencement of the next scholastic year, the 1st Monday of September.

It appeared from the report of the Finance Committee that the expenses of the schools for the month of April exceeded eleven thousand dollars, which claims were allowed.

A number of principals of the ward schools petitioned the Board for a change of the rules, to make the termination at noon one hour and a half, instead of two hours, which proposition was referred to a committee.

In this connection we regret to announce the resignation of George W. Morris, Esq., who has been a member of the Board since its organization, and for many years its presiding officer. Under the provisions of the city charter, his removal from the ward in which he resided at the time of his election rendered his resignation imperative. His heart has ever been in the cause of popular education, and we regret the existence of the circumstances which have led to the withdrawal of his enlightened influence from the Board. Mr. Morris tendered his resignation in a graceful address, which we are gratified to learn, will be published in the city papers, the Board having obtained his permission to give it publication.

NATIONAL TYPOGRAPHICAL UNION.—The twelfth annual assembly of the National Typographical Union commenced in this city yesterday. There were a large number of delegates present, representing all the principal cities in the Union. Nothing was done beyond forming a permanent organization, which was done by the election of the following officers for the ensuing year: President, A. M. Carver, of Cincinnati; Vice Presidents, Wm. L. Fairchild, of Philadelphia, and Chas. B. Smith, of New York; Recording Secretary and Treasurer, W. F. Moore, of Detroit; Corresponding Secretary, M. G. Mason, of St. Louis. The Union meets again this morning at 10 o'clock, at the Council Chamber.

REMARKABLE WEATHER.—The weather during the past month has been the most remarkable ever experienced during this season of the year. Yesterday a cold north-west wind was blowing all day, and a light rain was falling interspersed with a small fall of hail and snow. The weather was very cold for the month of May.

The case in the United States Court against W. E. Wood, that had occupied the attention of the court for several days past, was given to the jury yesterday, and, after an absence of ten minutes, they returned a verdict of "not guilty."

DETENTION OF THE FRANKFORT TRAIN.—The passenger train from Frankfort, due at 7:10 last evening, had not arrived at a late hour last night. The train ran over a cow beyond Bagdad, and the baggage car was thrown off the track.

FIRE IN JEFFERSONVILLE.—The alarm of fire yesterday was occasioned by the burning of the dry house attached to the carpenter shop of Wm. Boyle, in Jeffersonville. The loss was about \$500, with no insurance.

The following Kentucky soldiers have died in the General Hospitals in this city, during the week ending Sunday: Jos. Wilson, company H, Eighteenth; C. Dibold, company M, Third cavalry.

In our notice Saturday of the serenade at Mrs. Lyman's, we were in error in stating that it was the Post Band. The credit should have been given to the Brass Band from the Brown general hospital.

Captain Treble, of the Twentieth Kentucky, who was relieved as brigade quartermaster, is ordered to Colonel Hanson, commanding the Third brigade of the First division, for duty.

The docket of the Court of Appeals for the summer term, 1864, will be closed on Monday, the 16th of May, 1864. All records after that day will be docketed for the next winter term.

If Marshall Thatcher in the city he would do well to call on Henry B. Green for news of importance from his family in Richmond, Indiana.

Yesterday officer Ewing arrested two boys, Charles and William Lawrence, upon the charge of stealing baggage from the United States Hotel.

The Ormsby House—Reported on the European plan—For some months past the Ormsby House, on Main, between Fourth and Fifth streets, has been undergoing a complete change. It is now thoroughly refitted, remodeled and furnished and opened to the public, making the building a first-class hotel.

Mayfield & Co. The central location of the house, and the mode on which it will be conducted, will at once secure it a large custom.

A house conducted on the European plan is something new in Louisville, and must prove a great convenience. There will be a table d'hôte at regular hours, but meals can be ordered from the bill of fare at any hour. The house will keep every substantial dish and seasonable luxury; and from the bill of fare, with prices listed, the guest can order just such a meal as he desires, paying only for what he gets, making his living cost him little more than as he may elect. An experienced and excellent service have been secured, and the house opened fully prepared in all its departments to meet the wants of the public. The spacious bar-room is abundantly stocked with the best liquors. There are tables of rooms where dining parties can be accommodated without interruption. Indeed, the advantage of a house conducted on the European plan is that you pay for your room and lodging and can order what you please, and have your meals served in the room or elsewhere, as you please. The proprietors are men of experience, and will give every attention. Ample supplied with the substantial, and keeping pace with the market, and ever willing to please their guests, we doubt not the Ormsby House, under the new regime, will grow rapidly in public favor and become to Louisville what Delmonico's has long been to New York—a general headquarters for a substantial lunch or dinner for the merchants who cannot spare the time to go home in the midst of business hours for dinner.

ROCKWATER, CARRIAGES AND BUGGIES FOR SALE.—We call the attention of our readers to the advertisement of Mr. J. W. Shockey, offering a number of new buggies, rockwaters, &c., for sale at public auction, on next Saturday, the 7th inst.

Here is a fine opportunity for those in want of bargains in this line.

Mr. J. B. Williamson has removed his book bindery into the Democrat building, and will do all kinds of work usually done in such establishments.

He is a thorough master workman and will execute all jobs with promptness and dispatch. We bespeak for him the patronage of our friends and the public generally.

BOARD OF TRADE.—We are requested to say that the Board of Trade will meet to-night, and it is expected that some definite action will be taken towards the establishment of a daily Merchants' Exchange. A general attendance is requested.

The New York Post editorially says that the men who fought at James Island and Fort Wagner and Olustee have had no pay for about a year.

For Cincinnati papers, we are indebted to W. H. Ehrlich, the popular newsdealer at the corner of Third and Main streets.

Amusements.
Wood's Theatre.—Glo, or the Armorer of Troy, was produced here last night, the first time in this city, and drew a splendid house. Mr. P. appeared as Glo, the Armorer, and Balbo, Priest of Hercules, and played the roles in a masterly manner. Amusement will be presented to-night, for the last time, in consequence of the stormy weather, or on the former presentation, we expect a crowded house. To conclude with the farce of Forty and Fifty.

LOUISVILLE THEATRE.—Polly A. Vincent, the favorite comic, made his first appearance in the Louisville Theatre last night, and notwithstanding the inclement weather, he was greeted with a large and fashionable audience. The bill selected for to-night consists of the Irishman's Heart and Sketches in India, in both of which places Mr. Vincent appears.

MARRIED.

A REMEDY FOR PILES.—It is a blessing to the suffering to know that we have an effective remedy for this truly troublesome disease. Mr. J. P. Hazard, of 164 Second street, Cincinnati, Ohio, takes great pleasure in informing all who are suffering with piles that he has a small quantity of Dr. Strickland's Pile Remedy, and it effected a permanent cure. This seems to be the case with all who make use of this splendid preparation. It is manufactured at No. 6 East Fourth street, Cincinnati, O., and sold by all druggists.

To gentlemen or ladies who have had much experience in the world, it is not necessary to say that good articles are the most economical. In their manufacturing operations, Messrs. Green & Green have invariably used the best materials that could be produced, knowing that appreciative customers would be willing to pay for quality. Their hats, caps, and underwear are well and carefully made, and of the best materials. Their establishment is at the southwest corner of Main and Fourth streets.

"The great stock" of men's and boys' clothing in this city is now open at J. M. Armstrong's, on Main, opposite the National Hotel. His stock of cloths, cassimeres and vestings is also very large.

C. L. S. Matthews, who was burned out a few nights since, has fitted up a store in the rear of his former building, where he has on hand a large supply of hay, corn, oats and other articles in his line of trade, which he is prepared to furnish his customers on the most liberal terms. Any orders left at the store of Taylor & Co., on Fourth street, for Mr. Matthews will meet with prompt attention.

The Ormsby House—Reported on the European plan—For some months past the Ormsby House, on Main, between Fourth and Fifth streets, has been undergoing a complete change. It is now thoroughly refitted, remodeled and furnished and opened to the public, making the building a first-class hotel.

Mayfield & Co. The central location of the house, and the mode on which it will be conducted, will at once secure it a large custom.

A house conducted on the European plan is something new in Louisville, and must prove a great convenience. There will be a table d'hôte at regular hours, but meals can be ordered from the bill of fare at any hour. The house will keep every substantial dish and seasonable luxury; and from the bill of fare, with prices listed, the guest can order just such a meal as he desires, paying only for what he gets, making his living cost him little more than as he may elect. An experienced and excellent service have been secured, and the house opened fully prepared in all its departments to meet the wants of the public. The spacious bar-room is abundantly stocked with the best liquors. There are tables of rooms where dining parties can be accommodated without interruption. Indeed, the advantage of a house conducted on the European plan is that you pay for your room and lodging and can order what you please, and have your meals served in the room or elsewhere, as you please. The proprietors are men of experience, and will give every attention. Ample supplied with the substantial, and keeping pace with the market, and ever willing to please their guests, we doubt not the Ormsby House, under the new regime, will grow rapidly in public favor and become to Louisville what Delmonico's has long been to New York—a general headquarters for a substantial lunch or dinner for the merchants who cannot spare the time to go home in the midst of business hours for dinner.

ROCKWATER, CARRIAGES AND BUGGIES FOR SALE.—We call the attention of our readers to the advertisement of Mr. J. W. Shockey, offering a number of new buggies, rockwaters, &c., for sale at public auction, on next Saturday, the 7th inst.

Here is a fine opportunity for those in want of bargains in this line.

Mr. J. B. Williamson has removed his book bindery into the Democrat building, and will do all kinds of work usually done in such establishments.

He is a thorough master workman and will execute all jobs with promptness and dispatch. We bespeak for him the patronage of our friends and the public generally.

BOARD OF TRADE.—We are requested to say that the Board of Trade will meet to-night, and it is expected that some definite action will be taken towards the establishment of a daily Merchants' Exchange. A general attendance is requested.

The New York Post editorially says that the men who fought at James Island and Fort Wagner and Olustee have had no pay for about a year.

For Cincinnati papers, we are indebted to W. H. Ehrlich, the popular newsdealer at the corner of Third and Main streets.

Amusements.
Wood's Theatre.—Glo, or the Armorer of Troy, was produced here last night, the first time in this city, and drew a splendid house. Mr. P. appeared as Glo, the Armorer, and Balbo, Priest of Hercules, and played the roles in a masterly manner. Amusement will be presented to-night, for the last time, in consequence of the stormy weather, or on the former presentation, we expect a crowded house. To conclude with the farce of Forty and Fifty.

LOUISVILLE THEATRE.—Polly A. Vincent, the favorite comic, made his first appearance in the Louisville Theatre last night, and notwithstanding the inclement weather, he was greeted with a large and fashionable audience. The bill selected for to-night consists of the Irishman's Heart and Sketches in India, in both of which places Mr. Vincent appears.

The House referred to the

Committee on Military Affairs, the resolution

of Mr. Blair, of Illinois, calling on the Sec-

retary of the Treasury to State the amount

of the debt incurred by the Government in

suppressing the rebellion, and declaring as

the judgment of the House, that all debts in-

terested in the rebellion should be paid

and liquidated by the General Government.

The House then took up the resolution

of Mr. Harlow, of Kentucky, declaring that

the Union is only dissolved when the

rebellion is in any one of the seceded States

voluntarily submission to the authority of

restored to all its rights and privileges under

the Constitution, and the right of the

Union shall be maintained, and the

rights of the Union shall be maintained.

Mr. Harlow, of Kentucky, said the ques-

tion turned on the fact whether the Union

is dissolved or not, and if dissolved, whether

it is dissolved voluntarily or by force.

He said that he believed that the

Union was not dissolved, and that the

rights of the Union were maintained.
